Welcome

Fillsant General Trading is a proudly South African-based company offering full turnkey supply chain management and procurement solutions across Southern Africa, with a strategic focus on trade and investment involving Angola. Since its establishment in 2006, Fillsant has built a reputation as a reliable partner in the sourcing, logistics, and delivery of goods and services across borders — becoming a trusted name in import, export, and transport operations throughout the continent.

We specialise in supporting businesses through every step of the supply chain, providing a seamless, end-to-end service designed to reduce complexity, minimise risk, and optimise efficiency. Our services cover a broad spectrum of industries, including agriculture, construction, retail, pharmaceuticals, manufacturing, and FMCG. Whether our clients are looking to import high-volume retail goods, source industrial materials, distribute agricultural products, or fund trade and infrastructure projects, Fillsant is equipped to provide comprehensive support.

At the heart of our business lies a robust operational structure and a deeply embedded network of trusted suppliers, logistics specialists, transport operators, warehousing partners, and financial service providers. With a versatile in-house transport fleet, over 700m² of warehouse space in South Africa, and more than 10,000m² of under-roof storage in Angola, we are able to consolidate, store, and move goods with efficiency and precision — even in high-pressure and cross-border environments.

Let us move your vision forward.

AGRICULTURAL PRODUCTS & FOOD

SOURCING OF FMCG (FAST MOVING CONSUMER GOODS)

Our turnkey service model includes:

Sourcing of Goods: Extensive supplier networks and on-ground sourcing agents to find, negotiate, and secure the right products at competitive prices.

Warehouse & Consolidation: Safe, secure storage solutions with value-added services like order consolidation and pre-shipment preparation.

Procurement Services: End-to-end management of procurement processes, ensuring compliance, transparency, and efficiency.

Transport & Freight Forwarding: In-house trucking capabilities and cross-border freight forwarding to ensure reliable delivery anywhere in Southern Africa.

Outbound Shipment & Invoicing: Coordinated dispatch, export processing, customs clearance, and billing — handled professionally and punctually.

This is us

Core Business Functions

CONSOLIDATED BUYING & IMPORT- EXPORT SOLUTIONS

We specialise in the strategic sourcing, consolidation, and cross-border movement of goods. We streamline procurement and logistics processes, making it easier for our partners to access high-quality products and services across Southern Africa and beyond.

OUR ROLE

- Identify and source reputable suppliers
- Secure and consolidate multiple orders for export or local distribution
- Facilitate and guarantee payment processes for smoother transactions
- Assist with the import and distribution of “Made in Angola” products, encouraging regional trade

PROJECT DELIVERY & MANAGEMENT

We provide hands-on support in delivering and managing commercial, industrial, and infrastructure-related projects. From initial planning to execution, FGT ensures that projects are delivered on time, within budget, and to the highest standards.

OUR ROLE

- Conduct in-depth market and project viability assessments
- Act as project sponsors or promoters, connecting investors and implementers
- Facilitate mutually beneficial partnerships and equity structuring to drive successful project outcomes

FINANCE & INVESTMENT FACILITATION

Through trusted networks and financial expertise, Fillsant facilitates investment opportunities and financial solutions tailored to the needs of our partners. We help businesses unlock capital, manage risk, and grow confidently in the Angolan and Southern African markets.

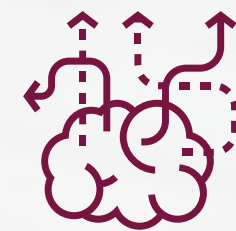

OUR ROLE

- Identify and connect with credible funding sources, including institutional investors and development finance institutions
- Clarify expectations and compliance requirements to ensure alignment with funding partners
- Mobilize capital efficiently to support both short-term trade and long-term development initiatives

Driven by
purpose. Powered
by trust. Delivered
with precision.

About Us

Mission

To leverage our deep knowledge of both the Angolan and South African markets, providing our partners with a unique and powerful platform to access new markets, build meaningful partnerships, and conduct profitable, sustainable business.

Vision

To be the leading trade and investment partner for companies seeking to do business in Angola in particular, and Southern Africa in general

Our Core Aim - Values & Principles

Belief

We believe in the value of what we do. This belief empowers our partners and drives mutual success.

Integrity

Integrity defines the character of our team and our business. It's the foundation on which all our relationships are built.

Humility

We acknowledge that we may not always have all the answers, but through a commitment to excellence, we continuously learn, improve, and succeed.

Trust

We only do business with those we can trust. Openness, transparency, and mutual accountability are central to our approach.

Respect

We treat every opportunity with respect, appreciating the trust our clients place in us and valuing every business relationship.

Fillsant General Trading

A full Turn Key supply chain procurement solution

Fillsant offers a complete turnkey solution, managing every stage of the supply chain — from sourcing and warehousing to procurement, transport, outbound shipping, and invoicing. With in-house logistics and trusted networks, we streamline cross-border trade and deliver reliable, end-to-end support.

Sourcing

We find what you need,
where you need it.

Warehouse & Consolidation

Smart storage and seamless
order management

Procurement

Efficient purchasing with
full transparency.

Transport & Freight Forwarding

Reliable delivery, across
borders and industries.

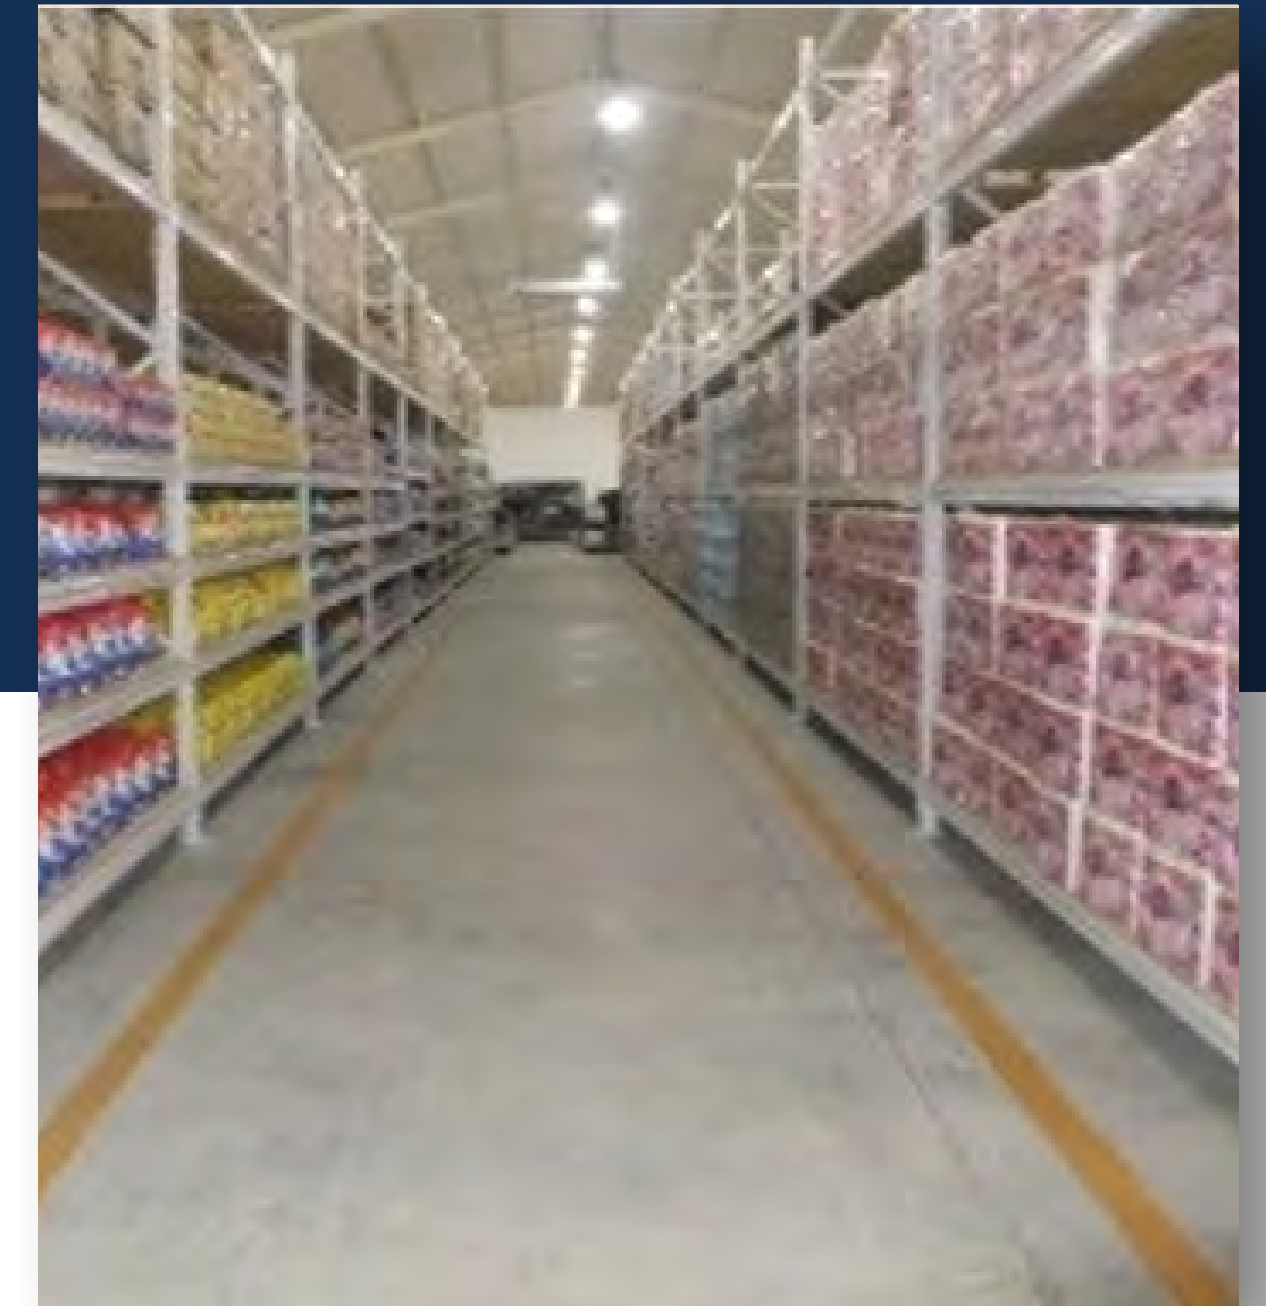

Outbound Shipment & Invoicing

We ship it out, right on time
with clear, accurate billing
— always.

Sourcing & Supply

We've stocked & supplied full warehouses. Now lets find what you need.

With over 10,000 square meters under roof in Angola and over 700 square meters of warehousing in South Africa, Fillsant provides flexible and secure storage solutions tailored to your needs.

We don't just store goods — we manage them as a crucial step in your delivery pipeline

Transport & Freight Forwarding

From documentation and packaging to customs handling and last-mile delivery, we ensure a smooth export process

We offer a versatile fleet of vehicles, ranging from 6-meter to 12-meter trailers, as well as refrigerated trucks for temperature-sensitive goods.

- **Local and cross-border deliveries**
- **Temperature-controlled freight**
- **Oversized and heavy load transport**
- **Customs clearance and regulatory compliance**
- **Freight forwarding coordination**

Outbound Shipment

- Export packaging & labeling
- Cargo inspection & compliance checks
- Shipping coordination
- Destination delivery including POD (Proof Of Delivery)

Procurement Solutions

Fillsant offers efficient, transparent procurement services that shorten lead times and enhance value across the supply chain. Acting as your extended procurement team, we manage quotations, supplier compliance, and documentation — all with real-time reporting and performance tracking.

Our process integrates seamlessly with sourcing and warehousing for a fully connected supply chain. With experienced regional teams and trusted drivers across Southern Africa — especially in Mozambique and Angola — we ensure smooth procurement and delivery, even in the most complex cross-border environments.

FILLSANT

GENERAL TRADING

From Source to Destination We Handle It All

With Fillsant General Trading, you get more than a service provider—you get a logistics partner dedicated to moving your business forward. Our turnkey approach ensures that every stage of the supply chain works in harmony, saving you time, reducing risk, and delivering measurable value.
